

People's Music Network Summer Gathering June 2-4, 2017 Camp Kinderland

1543 Colebrook River Road, Tolland, MA

The People's Music Network is a diverse community of **singers, artists, activists** and **allies** that cultivates music and cultural work as catalysts for a just and peaceful world.

We recognize the power of music to effect social change. We gather together to be nourished by sharing and hearing this music.

We strengthen our commitment as artists and activists to create transformative political culture by supporting one another in an environment where we meet on an equal basis.

Join us!

Work Shifts: The cost of the weekend is low because we share the workload! Please sign up for two one-hour work shifts when you arrive.
